Re: Mendez v. Mount Sinai Health Network, LLC, et al.
Civil Action No. 1:23-cv-10457

Dear Judge Furman:

We represent defendant Mount Sinai Health Network, LLC (“Mount Sinai”) in connection with the above-referenced matter in which plaintiff alleges disability discrimination against Mount Sinai and a building owner (Mount Sinai’s landlord) for failure to provide an accessible egress to an office building.

With the consent of all parties, we write to respectfully request: (1) a 30-day extension, from February 31, 2024 to March 31, 2024, of all defendants’ times to answer, file a pre-motion conference request letter, or otherwise respond to plaintiffs’ complaint in this matter; (2) an adjournment of the upcoming Initial Pretrial Conference until after the (rescheduled) Mediation date of March 29, 2024; and (3) an extension of the parties’ time to submit their proposed case management plan and joint letter. By consent of the parties, the court-sponsored mediation has been adjourned to March 29, 2024, to occur if the parties are unable to resolve this matter on their own. The parties’ independent settlement discussions remain ongoing, and these proposed adjournments and extensions are requested to give the parties additional time to continue their independent discussions without the need for further judicial intervention, and to bring the case schedule more in-line with the revised mediation date. This is the parties’ second joint request for such adjournments.

We thank the Court for its time and attention regarding these matters.

Very truly yours,

By: /s/ Scott R. Landau
